Avant Publishes "AVANT Integrated Report - Creative Dialog 2020"

AVANT Corporation (Headquarters: Minato-ku, Tokyo, President and CEO: Tetsuji Morikawa, Securities Code: 3836) is pleased to announce that it has published the "AVANT Integrated Report - Creative Dialog 2020".

In preparing the integrated report, we decided to refer to the "Value Co-Creation Guidance" proposed by the Ministry of Economy, Trade and Industry, taking into consideration the philosophy system, management strategies, and the current status of the Group in realizing them. In this report, which is the first volume, we have organized our values, business model, and strategies with Mr. Morikawa, President and Group CEO of the Avant Group, at the center.

The sustainability and capital policies will be reported in more detail in the next and subsequent integrated reports, along with the progress of the current medium-term management plan "BE GLOBAL".

In order to help our shareholders, investors, customers, business partners, society, Avant Group employees, and other stakeholders understand the potential of the Avant Group, this report uses cartoons to illustrate the history of the Group from its founding to the present, and social networking sites to illustrate conversations with members of the Group.

We will continue to strengthen our efforts to further enhance our corporate value through communication with you.
