Profit growth led by improvements in project quality

- Large-scale project in the previous fiscal year continued to contribute to increased revenue
- While we had to provide allowance for that project as we anticipate support expenses when it goes operational in the next fiscal year, we worked to improve quality in other projects and achieved growth in operating income and OP margin for the segment
- Order backlog was impacted by our response to that large-scale project, orders progressed steadily and cumulative customer win surpassed 1,000 companies (Remained number one among consolidated accounting software vendors)

Business Intelligence Business

AVANT

Profits boosted by number of large projects and improvement measures

- Revenue increased significantly on the back of multiple large-scale project wins
- By increasing the proportion of high margin primary contract and semi-delegating contracts, we achieved reduction in risks associated with contracting projects and occurrence of unprofitable projects, and achieved improved profitability
- These measures absorbed an increase in fixed expenses related to the increase of personnel and resulted in a significant profit increase

	FY18/06	FY19/06	Year-on-Year		
			Variance	%CHG	
Revenue	3,953	4,990	+ 1,036	+ 26.2%

Outstanding Order	929	1,204	+ 274	+ 29.6%	

Remarkable increase in sales and profits

- Success in diversification of revenue base contributed to improvement of the Group's recurring revenue ratio
- Higher revenue absorbed expenses related to increased personnel such as the opening of a new office and led to significant growth in profits
